

Class 1989 (MCMLXXXIX) 30th Reunion October 11th, 2019

Thirty years ago, Brian Mulroney was Prime Minister of Canada, Robert Bourassa was Premier of Quebec and the first George Bush was Commander in Chief. In the world of entertainment Axl Rose, Vince Neil and Brett Michaels gave us something we could (and very much did) believe in with their golden locks and hard rocking ways. Thankfully, Fathers Rye, Obrigewitsch and Brennan kept us on the straight and narrow...mostly. It's safe to say the Class of '89 knew how to work hard and have fun and were a fitting tribute to the end of a great decade. In the classroom we were fortunate to be taught by the likes of young Kelly Burke and Pat Dubee while Mr. Godin and Mr. Newman helped us hone our skills in the weight room and on the grid iron. The greatest tribute to our graduating class, however, were the friendships. Five years ago, we had a wonderful twenty-fifth reunion and an amazing turnout. It's time to once again gather as a class to reminisce, tell tall tales and enjoy each other's company.

On the Friday night, October 11th, the Alumni Association hosts its **Annual Smoked Meat, Oysters and Beer Bash** which will be held in the Atrium of the High School located on the corner of West Broadway and Sherbrooke, across the street from the University. This is the annual, all-alumni event which kicks off Loyola's Homecoming Weekend, beginning around **6pm** and going to 11pm, at which time we will head to a local establishment to continue the fun. Simply show up at the door (there will be an **entrance fee of \$25** which includes a beer and smoked meat and even some oysters) and there will be directions to our gathering place.

If you received this announcement by post, it is because we do not have an email address for you. Please note that all further updates will be done by email, Facebook and the Loyola High School web page. In order to keep you involved in the organizing of the weekend, please let **Randy know your email address at alumni@loyola.ca**. Unfortunately, over the last few years we have lost contact with a number of our classmates – see attached list. If you know of their whereabouts, email us and we will send them this announcement. We look forward to seeing everyone and once again, walk down memory lane.

Looking forward to seeing you soon,

Ivo Notargiacomo '89 and Todd Burns '89
