Topics addressed:

- Brief overview of the Montreal-area CEGEPs
- Review of the 3 different types of CEGEP applications
- Suggested strategies for the application process
- Prerequisites and required averages

The Loyola Guidance Department will also be available to answer questions or respond to concerns following the 35-minute presentation.

Please note that a continental breakfast will be served.

If parents and students have any questions about CEGEP and Post-Secondary institutions prior to the February session, do not hesitate to contact Wendy Polverari via e-mail or telephone (polverariw@loyola.ca / [514-486-1101 ext. 274](tel:514-486-1101)).
