**PARKING:**

Parents should be aware that the rear parking lot (near the school gymnasium) belongs to Concordia University. The University charges a flat rate of \$6.00 for parking anywhere on their lot. This includes the parking places marked "Loyola High School." Loyola faculty and staff are allowed to park in these spaces but they must have a special permit to do so. There is a parking ticket machine which accepts exact change or credit card. Unfortunately, all visitors must pay or risk receiving a ticket or being towed.

Other parking may be found on the side streets located around the school. However, with Concordia University night classes underway, finding a parking spot may prove difficult. To avoid the stress of finding parking and possibly arriving late, you may want to park 4-5 streets East or West of the school and enjoy the five-minute walk to Loyola!

Please do NOT park in the small parking lot on the east side of the school (adjacent to the football field). It is reserved for teachers and administrators on this evening.
